RUSSELL HILDEBRANDT
Walter Zeller Fellowship

ELIMINATE
maternal/neonatal tetanus
Kiwanis | unicef

With his donation of 25 Canadian silver dollars, Walter Zeller dropped a few seeds in the soil that blossomed into the Kiwanis International Foundation. And it only takes a few drops like Zeller's—this time, in the form of tetanus vaccinations—to help eliminate maternal and neonatal tetanus from the face of the Earth. When you give US$1,250 to The Eliminate Project, you can become a Walter Zeller Fellow—and save or protect more than 690 women and their future babies. MNT is on the brink of elimination. With your one-time gift or two-year pledge, you have the power to save lives and prevent a life-threatening disease. Walter Zeller Fellows are recognized with a medallion, certificate and commemorative lapel pin—and, most importantly, the knowledge they helped fill more than 690 lives with unlimited possibilities.

Do your part to raise US$110 million by 2015 when you become a Walter Zeller Fellow today or give again to reach a Diamond-level Zeller. You can also honor your club president or a special woman in your life by making them Zeller Fellows. Give now. Or contact The Eliminate Project campaign office for details.

ALICE PATTERSON OUSLEY JR. HIGH TEACHER OF THE MONTH OCTOBER

April Patterson has been teaching for 10 years but this is her first year at Ousley Junior High. She has an Associates Degree from Cisco Junior College in Abilene, TX and a Bachelors of Administration Degree from McMurry University in Abilene, TX. She loves helping kids and seeing them grow into the person God has created them to be. She enjoys seeing them use their talents to be leaders in their communities. In her spare time, April likes sports, spending time with her family and reading a good book. She coached for 9 years. During her first year at Clyde, her team went 20-0. April is married to Cody and has a daughter named CaLece. She loves her job and can not wait to see where God takes them next.
