## OUSLEY JUNIOR HIGH TEACHER OF THE MONTH

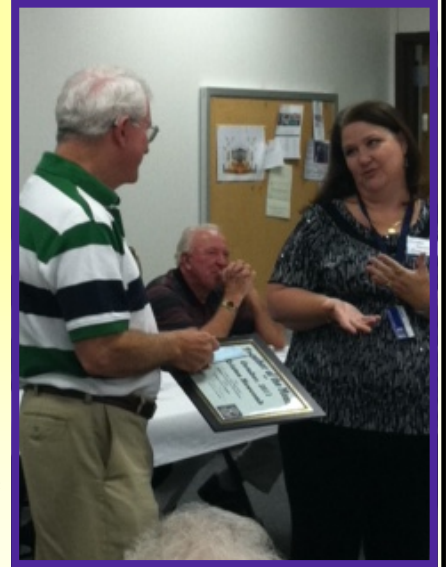

### KRISTEN NEWCOMB

Kristen Newcomb has been teaching at Ousley Jr. High for a year but altogether has been teaching for 5 years, previously at Young Jr. High. She graduated from Wayland Baptist University with a degree in Technology Education. She became a teacher after substituting and finding out that she really enjoyed working with children, she said, “seeing their faces light up with new ideas and thoughts that you helped them reach is what motivated me to become a teacher. I have a dyslexic daughter and this has even broadened my compassion and determination to try to reach every child and help them grow and learn. I love sharing what I know with others adults as well as children plus it provides me with the stability and time to raise my three girls on my own.”

Her hobbies and interests include family outings, reading, computers, family genealogy, collecting Disney memorabilia and dolphins. She has 3 daughters ages 17, 18 and 20. Oldest, Nicole, is a junior at Rice. Middle, Catie, is a freshman at Texas A&M Galveston, but is transferring back to the Metroplex for the spring semester. Youngest, Megan, is a junior at Mansfield Timberview High School. Megan is in the Ready, Set, Teach program in her school.

Her mother is a teacher at Thornton Elementary in Arlington and her father is a retired administrator from Wichita Falls.

Another interesting note about Kristen is that she served in the Navy for 7 1/2 years, stationed in Connecticut, Iceland and Italy.
