# KIWANIS CLUB OF ARLINGTON RECEIVES A GRANT DONATION FROM BUCKNER INTERNATIONAL

Kiwanis Club of Arlington's Young Children : Priority One Committee submitted a grant request in June of this year to Buckner International

[www.buckner.org](http://www.buckner.org) for new shoes for children in need.

The grant was approved in July and 502 brand new shoes were delivered to Safe Haven of Arlington in July. The retail value of the shoes = \$9,500.00.

Pictured to the left are some of the children with their new shoes. The only request that Buckner asked of our club was to send a couple of pictures back to them (without the children's faces—for legal reasons). They will use these photos as "documentation" showing the work they are doing.
